

Gift Vouchers

**Don't know what to get for the person who now seems to have everything?
Or maybe you would simply like to give something completely different.**

We can supply gift vouchers for our complete range of training courses. Full or part payments are possible from £50 upwards. We will print a voucher with your choice of words and send it to you in a plain envelope. The dates of the course will be arranged later by phone or e-mail.

So if it's a weekend sailing around the beautiful Devon and Cornwall coastline, a navigation, radio, powerboat course, or even a Yachtmaster course. We have the perfect gift.

Please call or e-mail us to discuss what you might like to arrange.
