

## ***Lifesaving Idea for men!***

**Have you run short of “Brownie Points”?**

**Pushed your luck a bit and ended up in the  
“doghouse”?**

**Feeling all sloppy and romantic?**

***Here is the perfect solution:***

***Show the lady in your life how much you care:***

**Buy her a gift voucher for a makeover/manicure.  
A personal girly pampering session that will leave her  
feeling soothed, self confident and radiant.**

**Carol uses nothing but the purest natural products.  
She shows how to apply make up and to care for nails in order  
to permanently enhance natural beauty.  
This is the healthy alternative to “two coats of primer and three  
of gloss”! But you can still do the rubbing down if you wish...  
All this is done in your own home by appointment.  
(near Plymouth only)**
